

**CANDY'S CLIPPINGS**

March 19th, 2018

It is my pleasure to recommend Molly McFaddin. As the owner of Candy's Clippings Dog Grooming Salon, I had the opportunity to work with Molly on several creative projects, including photos, videos, and the design of my business website.

Molly's creativity and technical expertise are unmatched. She produced high-quality visuals that perfectly captured the heart of my business and designed a user-friendly website that exceeded my expectations. Her ability to translate ideas into professional, polished work is truly impressive.

Beyond her skills, Molly is a fantastic collaborator. She is reliable, easy to work with, and has excellent communication skills. She consistently delivered on time and made the process enjoyable. I highly recommend her for any creative role—her talent and professionalism will be an asset to any team.

Best Regards,
